Certain items and events are not covered by this contract. Please refer to your contract for specific coverage, exclusions, and limitations.

Plumbing System
Covered: Garbage disposal - instant hot water dispenser - repair of leaks and breaks in water, waste, vent, or gas lines within the perimeter of the main foundation of the home or garage - shower/tub valves/diverters/basket strainers (replaced with chrome builder’s standard) - angle stops - gate valves - waste and stop valves - toilet tanks, bowls, and working mechanisms (replacement toilets will be white builder’s standard) - wax ring seals - permanently installed sump pumps (ground water only) - built-in whirlpool bathtub motor pump assemblies - pressure regulators - pop-up assemblies.

Not Covered: Shower heads - shower arms - fixtures - faucets - bathtubs - sinks - shower enclosures and base pans - caulking and grouting - filters - hose bibs - sewage ejector pumps - toilet seats and lids - septic tanks - water softeners - flow restrictions in fresh water lines - saunas - steam rooms - bidets - whirlpool bathtub jet plumbing - indoor or outdoor sprinkler systems - booster pumps - conditions of electrolysis.

Limits: The access, diagnosis, and repair of concrete-encased or inaccessible plumbing lines is limited to $1,000.00 aggregate per contract term. FNHW will provide access through unobstructed walls, ceilings, floors, concrete slabs and the like, and will return all openings made for access to a rough finish only, subject to the $1,000.00 limit indicated. FNHW is not responsible for trim, texture, paint, wallpaper, tile, carpet, or the like.

Plumbing Stoppages
Covered: Clearing of sewer line and mainline stoppages with standard sewer cable to 125 feet from point of access at existing ground level cleanout; including hydro jetting if stoppage is unobtainable with cable. Clearing of branch drain line stoppages in sink, tub, shower drains and toilets with standard sewer cable from point of access, including existing accessible cleanout, p-trap, drain or overflow access point.

Not Covered: Stoppages and/or collapse of water, drain, or gas lines caused by roots or foreign objects. Access to drain, sewer or main lines from vent or removal of a toilet; costs to locate, access, or install ground level or drain line cleanouts.

Heating System
(Must be main source of heat to home and designed for residential application; not to exceed 5-ton capacity)
Covered: All parts and components that affect the operation of the following heating systems: forced air (gas, electric, oil) - built-in floor and wall heaters - hot water or steam circulating heating systems - heat pumps - package units - mini-splits - electric baseboard - room heaters. If FNHW determines that the replacement of a heat pump-split system condensing unit is required, FNHW will replace with a unit that meets federally mandated SEER and HSPF* requirements, including the replacement of any covered components that are necessary to maintain compatibility with the replacement unit; such as the air handler - evaporative coil - transition - plenum - indoor electrical - duct connection - accessible refrigirant and condensate drain lines - thermostatic expansion valve. FNHW will pay for costs associated with the use of cranes and other lifting equipment to service roof-top heating units.

Not Covered: Solar heating systems - geothermal systems - glycol systems - portable and free-standing units - humidifiers, dehumidifiers and electronic air cleaners - fuel and water storage tanks - registers and grills - filters - heat lamps - fireplaces - wood, pellet or gas stoves (even if only source of heating) - chimneys - flues - vents - fireplace inserts and key valves - cable heat - clocks - timers - outside or underground piping and components for geothermal and/or water source heat pumps - well pump and well pump components for geothermal and/or water source heat pumps - inaccessible refrigerant and condensate drain lines - general maintenance and cleaning - improper use of metering devices - systems with improperly matched condensing unit and evaporative coil per manufacturer’s specifications unless otherwise noted in this contract - zone control and related components of forced air systems.

Limits: The access, diagnosis, repair and replacement of any water heater/heating combination unit, hot water heating system or steam circulating heating system(s) is limited to $1,500.00 aggregate per system or unit per contract term.

Seller’s HVAC Option: When selected, the access, diagnosis, repair or replacement of the heating and/or air conditioning system/evaporative cooler and ductwork is limited to a combined aggregate of $1,500.00 maximum during the Seller’s Coverage period.

Water Heater (Gas or electric)
Covered: All parts and components that affect operation including tankless water heaters, lowboy units and recirculating pumps. FNHW will replace with a unit that meets federally mandated energy efficiency requirements.

Not Covered: Solar units and/or components - holding tanks - flues and vents.

Limits: The access, diagnosis, repair and replacement of any water heater/heating combination unit, hot water heating system or steam circulating heating system(s) is limited to $1,500.00 aggregate per system or unit per contract term.

Electrical System/Doorbell/Smoke Detectors
Covered: All parts and components that affect operation.

Not Covered: Fixtures - alarms/intercoms and circuits - inadequate wiring capacity - power failure or surge - low voltage wiring - direct current (D.C.) wiring or components - lights.

Telephone Wiring
Covered: Telephone wiring used solely for residential telephone service located within the walls of the main dwelling.

Not Covered: Telephone jacks - plugs - lights - transformers and other power units - cover plates - telephone units - answering devices - burglar alarms/intercoms and circuits - telephone fuses - wiring which is the property of a telephone company - audio/video/computer or other cable.

Central Vacuum System
Covered: All parts and components that affect operation.

Not Covered: Removable hoses - accessories - clogged pipes.

Limits: FNHW is not responsible for the cost of gaining access to, or closing access from the floor or walls either to locate the cause of malfunction or to affect repair or replacement.

Garage Door Opener
Covered: Wiring - motor - switches - receiver unit - track drive assembly.

Not Covered: Garage doors - hinges - springs - cables - rollers - guides - remote transmitters - key pads.

Ceiling/Exhaust/Attic Fans (Built-in)
Covered: All parts and components that affect operation (replaced with builder’s standard).

Not Covered: Light kits and remote transmitters.

Kitchen Appliances
Covered: All parts and components that affect the operation of:
- Dishwasher
- Range/Oven/Cooktop
- Trash Compactor
- Built-in Microwave
- Kitchen Exhaust Fan

Note: Garbage Disposal and Instant Hot Water Dispenser are covered under Plumbing System.

Not Covered: Racks - rollers - baskets - handles - dials - knobs - shelves - clocks (unless it affects the operation of the range/oven/cooktop) - meat probe assemblies - light kits - indoor barbeque - rotisseries - interior lining - microwave door glass - portable or countertop units - removable accessories including buckets - lock and key assemblies.

When federal, state or local regulations, building and/or similar code criteria require improvements and/or additional costs to service a covered system or appliance, including permits, the costs to meet the proper code criteria shall be the sole responsibility of the contract holder, except where otherwise noted in this contract. FNHW will be responsible for repairs and/or replacement of covered systems and/or appliances after the proper code criteria are met, except where otherwise noted in this contract. When upgrading covered systems, parts or components to maintain compatibility with equipment manufactured to be compliant with federally mandated energy efficiency requirements, FNHW is not responsible for the cost of construction, carpentry, or other structural modifications made necessary by installing different equipment. FNHW is not responsible to perform service involving hazardous or toxic materials and/or conditions of asbestos.

FNHW is responsible for consequential or secondary damages resulting from the failure of a covered system or appliance or failure to provide timely service due to conditions beyond FNHW’s control, including but not limited to delays in securing parts, equipment, and/or labor difficulties. FNHW is not responsible for food spoilage, loss of income, utility bills, living expenses, personal and/or property damage.

FNHW is responsible for providing routine maintenance or cleaning. The contract holder is responsible for providing routine maintenance and cleaning of covered items as specified by the manufacturer to ensure continued coverage of such items. For example, heating and air conditioning systems require periodic cleaning and/or replacement of filters and water heaters require periodic flushing.

FNHW is not responsible for electronic, computerized, or remote energy management systems including, but not limited to zone controlled systems, lighting, energy, security, pool/spa, entertainment/media/audio, or appliances. Solar systems and components are not covered.

Common systems and appliances are not excepted in the case of a duplex, triplex, or fourplex dwelling, and unless every unit is covered by FNHW. If this contract is for a dwelling of 5 units or more, only the items contained within each individual unit are covered. Common systems and appliances are excluded.

This contract is non-cancelable by FNHW, except for: (a) non-payment of contract fees; (b) fraud or misrepresentation of facts material to the issuance of this contract; or (c) when contract is for Seller’s Coverage and close of sale does not occur. If the contract is canceled, the provider of funds shall be entitled to a prorated refund of the paid contract fee for the unexpired term, less an administrative fee and less any service cost incurred by FNHW. Upon renewal this contract is not non-cancelable by FNHW except for non-payment of contract fees, fraud, or misrepresentation of facts. Contract holders must submit request for cancellation in writing.

The contract is void and fully refundable when returned to FNHW by the original contract holder at close of sale, (a) within 20 days of the contract being mailed or (b) within 10 days of delivery provided no service has been provided by FNHW. The right to void the contract is non-transferable. A 10% penalty per month will be added to the refunded purchase price when not paid within 30 days of the date the contract was returned to FNHW. The contract holder may cancel the contract after the initial 20 days and is entitled to a pro-rated refund of the contract fee less a $50.00 administration fee and less any service cost incurred by FNHW. Obligations of FNHW under this contract are backed by the full faith and credit of FNHW.

FNHW reserves the right to provide cash in lieu of repair or replacement of a covered system or appliance in the amount of FNHW’s actual cost to repair or replace such a system or appliance. The amount provided as cash in lieu is generally less than retail. FNHW is not responsible for work performed once you accept cash in lieu of service.

This contract covers only those parts, components, systems and appliances specifically mentioned as covered and excludes all others. FNHW provides examples of components ‘not covered’ to assist understanding of this contract and examples are not exhaustive. We recommend that you review your contract completely. Covered systems and appliances must be located within the main foundation of the home or garage except for exterior well pump, air conditioner/evaporative cooler, pressure regulator, waste/stop valves, water heaters, pool/spa equipment, sewage ejector pump and outdoor septic tank system equipment. All coverage is subject to the limitations and conditions mentioned in this contract.

1. FNHW’s liability is limited to failures of covered systems and appliances due to normal wear and tear during the term of the contract.
2. FNHW reserves the right to obtain a second opinion at its own expense. The contract holder may order their own second opinion, but shall be responsible for the cost of said opinion.
3. FNHW will determine whether a covered item will be repaired or replaced. Except as otherwise noted in this contract, replacements will be of similar features, capacity and efficiency as the item being replaced. FNHW is not responsible for matching dimensions, brand or color. However, stainless steel appliances will be replaced with stainless steel or similar material finishes and limited to applicable contract aggregates. When parts are necessary for completion of service, FNHW will not be responsible for delays that may occur in obtaining those parts. FNHW reserves the right to repair systems and appliances with non-original manufacturer’s parts, including rebuilt or refurbished parts. Repairs and/or replacements that are subject to a manufacturer’s warranty are excluded from this contract. Unless otherwise noted in the contract, FNHW is not responsible nor liable for the disposal cost(s) of appliances, systems, equipment and/or components of equipment including refrigerant, contaminants, and/or other hazardous or toxic materials.
4. When federal, state or local regulations, building and/or similar code criteria require improvements and/or additional costs to service a covered system or appliance, including permits, the costs to meet the proper code criteria shall be the sole responsibility of the contract holder, except where otherwise noted in this contract. FNHW will be responsible for repairs and/or replacement of covered systems and/or appliances after the proper code criteria are met, except where otherwise noted in this contract. When upgrading covered systems, parts or components to maintain compatibility with equipment manufactured to be compliant with federally mandated energy efficiency requirements, FNHW is not responsible for the cost of construction, carpentry, or other structural modifications made necessary by installing different equipment. FNHW is not responsible to perform service involving hazardous or toxic materials and/or conditions of asbestos.
5. FNHW is not responsible for repairs or replacement due to misuse or abuse, disassembly or missing parts nor for failures or damage due to: fire, flood, smoke, lightning, freeze, earthquake, theft, storms, accidents, riots, war, vandalism, animals or pests, power failure, surge and/or overload, soil movement, structural changes, design deficiency, manufacturer’s recall, inadequate capacity, land subsidence, slope failure or cosmetic defects. Except where otherwise noted in this contract, failures due to improper previous repair or installation of appliances, systems or components is not covered. FNHW will not perform routine maintenance or cleaning. The contract holder is responsible for providing routine maintenance and cleaning of covered items as specified by the manufacturer to ensure continued coverage of such items. For example, heating and air conditioning systems require periodic cleaning and/or replacement of filters and water heaters require periodic flushing.
6. FNHW is responsible for consequential or secondary damages resulting from the failure of a covered system or appliance or failure to provide timely service due to conditions beyond FNHW’s control, including but not limited to delays in securing parts, equipment, and/or labor difficulties. FNHW is not responsible for food spoilage, loss of income, utility bills, living expenses, personal and/or property damage.
7. FNHW is responsible for providing access to repair or replace a covered system or appliance unless otherwise noted in this contract. When access is provided under this contract, restoration to walls, closets, floors, ceilings, or the like, will be to a rough finish only. FNHW is not responsible for the cost of modifications necessary to repair or replace a covered system or appliance, including but not limited to pipe runs, flues, ductwork, structures, electrical, or other modifications. FNHW does not cover systems, appliances or equipment designed for commercial use.
8. FNHW is not responsible for electronic, computerized, or remote energy management systems including, but not limited to zone controlled systems, lighting, energy, security, pool/spa, entertainment/media/audio, or appliances. Solar systems and components are not covered.
9. Common systems and appliances are not excepted except in the case of a duplex, triplex, or fourplex dwelling, and unless every unit is covered by FNHW. If this contract is for a dwelling of 5 units or more, only the items contained within each individual unit are covered. Common systems and appliances are excluded.
10. This contract is non-cancelable by FNHW, except for: (a) non-payment of contract fees; (b) fraud or misrepresentation of facts material to the issuance of this contract; or (c) when contract is for Seller’s Coverage and close of sale does not occur. If this contract is canceled, the provider of funds shall be entitled to a prorated refund of the paid contract fee for the unexpired term, less an administrative fee and less any service cost incurred by FNHW. Upon renewal this contract is non-cancelable by FNHW except for non-payment of contract fees, fraud, or misrepresentation of facts. Contract holders must submit request for cancellation in writing.

Washington: The contract is void and fully refundable when returned to FNHW by the original contract holder at close of sale, (a) within 20 days of the contract being mailed or (b) within 10 days of delivery provided no service has been provided by FNHW. The right to void the contract is non-transferable. A 10% penalty per month will be added to the refunded purchase price when not paid within 30 days of the date the contract was returned to FNHW. The contract holder may cancel the contract after the initial 20 days and is entitled to a pro-rated refund of the contract fee less a $50.00 administration fee and less any service cost incurred by FNHW. Obligations of FNHW under this contract are backed by the full faith and credit of FNHW.

FNHW reserves the right to provide cash in lieu of repair or replacement of a covered system or appliance in the amount of FNHW’s actual cost to repair or replace such a system or appliance. The amount provided as cash in lieu is generally less than retail. FNHW is not responsible for work performed once you accept cash in lieu of service.

If the covered property changes ownership prior to the expiration of the contract, the contract holder may call 1-800-862-6837 to transfer coverage to the new owner for the remainder of the current contract term. This contract may be renewed at the sole discretion of FNHW, subject to applicable rates and terms.
Coverage: Heating, air conditioning/evaporative cooler and ductwork for the Seller during the 180-day Seller's Coverage period. This option must be selected with a buyer's plan and begins upon issuance of the contract number by FNHW.

9. Seller's Coverage: Begins upon issuance of a contract number by FNHW and continues for 180 days, close of escrow or termination of initial listing, whichever comes first and may be extended at the sole discretion of FNHW. Seller's Coverage excludes heating, ductwork, Buyer's Coverage Options, and Comprehensive Plan covered items. Seller's Coverage is not available on homes in excess of 5,000 square feet, for sale by owner properties, multi-units, guest houses, casitas and the like.

10. Covered systems and appliances must be in good, safe working order at the start of contract coverage. Unknown pre-existing conditions will be covered if, at the time coverage began, the defect or malfunction would not have been known to the buyer, seller, agent, or home inspector by a visual inspection and by operating the system or appliance. A visual inspection of the covered item verifies that it appears structurally intact and without damage or missing parts that would indicate inoperability. Operating the covered item is defined as turning the item on and off to ensure that it is operational. While turned on, the item operates without causing damage, irregular sounds, smoke or other abnormal outcomes.

11. FNHW will repair or replace covered systems and appliances which mechanically malfunction due to insufficient maintenance, rust, corrosion or sediment, unless otherwise noted in this contract.

Resolution of Disputes

MANDATORY ARBITRATION. This provision constitutes an agreement to arbitrate disputes on an individual basis. Any party may bring an individual action in small claims court instead of pursuing arbitration.

Any claim, dispute or controversy, regarding any contract, tort statute, or otherwise (“Claim”), arising out of or relating to this agreement, any service provided pursuant to this agreement, its issuance, a breach of any agreement provision, any controversy or claim arising out of the transaction giving rise to this agreement, or the relationships among the parties hereto shall be resolved by one arbitrator through binding arbitration administered by the American Arbitration Association (“AAA”), under the AAA Commercial or Consumer, as applicable. Rules in effect at the time the Claim is filed (“AAA Rules”). Copies of AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879.

The arbitration will take place in the same county in which the property covered by the Home Warranty Contract is located. The arbitrator’s decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. By entering into this Agreement the parties acknowledge that they are giving up the right to a jury trial, and the right to participate in any class action, private attorney general action, or other representative or consolidated action, including any class arbitration or consolidated arbitration proceeding. Neither party shall sue the other party other than as provided herein or for enforcement of this clause or of the arbitrator’s award: any such suit may be brought only in Federal District Court for the District or, if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state, or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement including any claim that all or any part of the Agreement is void or voidable. However, the preceding sentence shall not apply to the clause entitled “Class Action Waiver.” This arbitration agreement will survive the termination of this Home Warranty Contract. As noted above, a party may elect to bring an individual action in small claims court instead of arbitration, so long as the dispute falls within the jurisdictional requirements of small claims court.

CLASS ACTION WAIVER. Any Claim must be brought in the parties’ individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding (“Class Action”). The parties expressly waive any ability to maintain any Class Action in any forum. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any person or entity not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE AND TO BE PARTY TO A CLASS OR REPRESENTATIVE ACTION, HOWEVER, THEY UNDERSTAND AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY THROUGH ARBITRATION.

AGREEMENT. This Agreement constitutes the entire agreement and complete understanding between the Parties and supersedes all prior and contemporaneous agreements and understandings of the Parties. No modifications or amendments to this Agreement are effective unless in writing and signed by both Parties.
